**Worms?** Tastes do vary and one man's meat (or worms) is another man's poison! Here are a few more 'speciality dishes' from Mexico... 'Escamoles' ants eggs usually served with Tortillas and guacamole (mashed avocado), 'Gusano de Maguey', our famous Mezcal worms again, but nicely fried with onion and garlic and chile, and let's try the renowned 'Jumiles', roasted grasshoppers; makes a change from Tacos and Burritos?
